Material

Rubber and Metal.

Many more additional sizes are available, P.O.A.

Also available in Stainless Steel, P.O.A.

Oil resistant / high operating temperature rubbers, P.O.A.

Loadings from 1kg to 2,000kg per mounting.

Other Info.

Bobbin mounts are a low cost solution to reducing vibration and shock. They can be used in either compression, shear or a combination.

General purpose mountings popular in a wide range of applications and industries including diesel engines, generator sets, instrumentation, industrial machinery and equipment.
